
Citroen 2CV

[View this kit on the website.](#)

The Citroen 2CV is fast becoming one of the cult classic cars of today. Affectionately known as the 'upturned pram' or 'snail', its popularity has withstood the test of time, probably due to its simplicity and reliability. This kit carefully reproduces the top-of-the-range 'Dolly', which offers its drivers such extras as ashtrays and removable front seats! - Taken from the [1992 edition catalogue](#)
