
Fouga Magister

[View this kit on the website.](#)

Famous as the aircraft flown by the French national acrobatic team Pautrille de France, the Magister forms the main jet trainer component of a number of air forces. The type is frequently flown in the ground-attack/trainer role. A comprehensive transfer sheet provides insignia for German, Belgian and French Magisters. - Taken from the [13th edition catalogue \(1976\)](#)

1985 edition catalogue, recorded as a **Series 3** kit.
