
Cutty Sark

[View this kit on the website.](#)

The Cutty Sark, built in Dumbarton is the best known of all the clippers and in her hey-day was the fastest of them all. She could carry 32,000 square feet of sail giving her a maximum speed of over 17 knots. Employed in the tea trade, she was used to speed the new seasons crop from China to London where the crews hoped to gain the prestige of being the first back. Since 1957 she has been in dry-dock in Greenwich, London, attracting visitors from all around the world. This much loved ship was almost destroyed by fire on May 21st 2007.
