
BAe Sea Harrier FA2

[View this kit on the website.](#)

The Sea Harrier FA2 carries the AIM-120 AMRAAM missile and was the first UK aircraft to be provided with this capability. The first operational deployment was in April 1994 as part of the UN force in Bosnia when it was often called in from the ground for air support.

Airfix Series (*first appearance*): 4

First Issued: 2010
