'Sensational' was the adjective most used by the World's Press when Porsche entered the 3-litre Turbo in international racing. The fame accorded this car makes it an obvious choice for the 1:24th scale range. When complete the model has a length of 207mm. - Taken from the [1981 edition catalogue](#)

**Airfix Series** (*first appearance*): 6  
**First Issued:** 1981
