# Blohm & Voss Bv 141

[View this kit on the website.](#)

The asymmetrical BV 141 was one of the strangest aircraft of World War II. The design was intended to give all round visibility essential in the reconnaissance role and although it achieved some success it never replaced the Fw 189. - Taken from the [7th edition catalogue \(1969\)](#)

7th edition catalogue (1969), appearing for the first time as 492, there's a footnote stating "**Now in Series 3 - No.394**".
