
SAAB Viggen

[View this kit on the website.](#)

The unique design of the Viggen has been selected to give extremely short take-off and landing runs, enabling it to operate from roads as well as runways. The Viggen is now in production for the Swedish Air Force. - Taken from the [8th edition catalogue \(1970\)](#)

Airfix Series (*first appearance*): 3
First Issued: 1971
