# Boulton Paul Defiant Mk.1 Dornier Do17z Dogfight Doubles

[View this kit on the website.](#)

August 1940, the height of the Battle of Britain. The Dornier 17 flies over the air fields of South East England ready to drop their deadly cargo. They are intercepted by RAF Defiant fighters and engage in a vicious dogfight until one such Dornier is shot down over Goodwin Sands, only to be discovered seventy years later in remarkable condition with evidence of the damage inflicted by the Defiant.
