# WWII RAF Ground Crew

[View this kit on the website.](#)

The role of the RAF ground crew is often overlooked, but without them the aircraft, the Spitfire and the Hurricanes, could not have taken off and certainly could not have survived the Battle of Britain. These highly trained professionals serviced aircraft, performed diagnostics on damaged planes and were in many ways responsible for the survival of the pilot and his kite throughout World War Two.

**First Issued:** 2015

This kit appeared in these catalogues:

**2015 Edition Ref:** A04702

**2016 Edition Ref:** A04702
