
Heinkel HeIII H-6

[View this kit on the website.](#)

Addressing many of the shortcomings of the earlier versions, the Heinkel He.III 'H' series was produced in greater numbers than any other variant. With greater power from the Jumo 211 engines, better defensive armament and heavier weapons loads, these aircraft were used right up until the last days of the war.

Airfix Series (*first appearance*): 7
First Issued: 2016
