
Hunting Percival Jet Provost T.3

[View this kit on the website.](#)

For most RAF pilots serving between 1960 and 1988, the Hunting Aircraft (BAC) Jet Provost will be an extremely familiar aircraft to them. Forming the backbone of RAF pilot training during this period, the Jet Provost was distinctive by its broad fuselage profile, which allowed for a relatively spacious side-by-side cockpit arrangement.

Airfix Series (*first appearance*): 2
First Issued: 2016
