
Bristol Blenheim Mk.1F

[View this kit on the website.](#)

The Bristol Blenheim was originally conceived as a privately funded high-speed civilian aircraft, intended to wrestle the record for the fastest civilian aircraft in Europe away from the Germans. It achieved this with ease and immediately attracted the attention of the RAF – at the outbreak of WWII, the Blenheim was available in more numbers than any other RAF aircraft.

Airfix Series (*first appearance*): 4

First Issued: 2016

Box art Artists

Artist on Box Type 16: Adam Tooby
