
Westland Sea King HAR.3

[View this kit on the website.](#)

Held in extremely high regard by the British public, the distinctive yellow Search and Rescue Sea King HAR.3 helicopters of the Royal Air Force always seemed to be on hand when help was needed most. Many sailors, climbers and holidaymakers owe their lives to the highly capable SAR crews of the RAF, who were ready to save lives at any time of day, or night and in all weather conditions.
