
Douglas F4D-1 Skyray

[View this kit on the website.](#)

Famous delta-wing fighter of the 1950s, the Skyray provided fleet defense for the US Navy and flew in the fighter-bomber role with the US Marines. When completed, this model captures the bat-like appearance of the original aircraft. Optional markings and weapons are included. - Taken from the [14th edition catalogue \(1977\)](#)
