
Handley Page Victor K.2

[View this kit on the website.](#)

As the last of Britain's trio of V-bombers to enter service, the Handley Page Victor was arguably the most successful, remaining in RAF service for an impressive 35 years. The final K.2 versions were converted to provide the RAF with an effective air-to-air refuelling aircraft, serving through both the Falklands Conflict and the Gulf War of 1990.

Airfix Series (*first appearance*): 12
First Issued: 2018
