# Supermarine Spitfire MkXIV Race Schemes

[View this kit on the website.](#)

Possessing grace, beautifully clean lines and lots of power, several Spitfires would survive the war to become highly distinctive aircraft on the civilian aviation scene either operating as Airshow display aircraft, or competing in air race competitions around the world. The aggressive profile of the Spitfire XIV made for a particularly striking air racer and helped to reaffirm the enduring legacy of this famous aeroplane.

**Airfix Series** (*first appearance*): 5
