
Short Skyvan

[View this kit on the website.](#)

This remarkable twin-engined transport is currently one of Britain's best exports and more than 100 have been sold to operators around the world. Both civil and military versions can be built from this kit and notable features include optional interiors, a working rear loading door and two sets of transfers. - Taken from the [12th edition catalogue \(1975\)](#)

Airfix Series (*first appearance*): 4
First Issued: 1975
