
Fokker F.27 Friendship

[View this kit on the website.](#)

You can build 23 models of the Airfix version of the Fokker Friendship and they can all differ in appearance, because 23 different airlines use this Rolls-Royce powered 40 passenger transport plane! The kit contains 76 parts and the completed model has a wing span of 15 inches. Supplied with the kit are crew figures, passenger steps and markings for the Aer Lingus version. The Friendship has a cruising speed of 275 miles per hour at 25,000 ft., and features high wing construction. - Taken from the [1st edition catalogue \(1962\)](#)

Pictured - Rare F27 Aer Lingus version
