
Boeing 727

[View this kit on the website.](#)

A striking departure from previous U.S. transports, the 727 has clean wings and three rear mounted jets together with retracting airstairs. All these features are exactly reproduced in this 62 part kit the latest T.W.A. airliner in its colourful livery with choice of registration for individual aircraft. - Taken from the [4th edition catalogue \(1966\)](#)
