
H.M.S. Ark Royal

[View this kit on the website.](#)

The best known of all the early wartime aircraft carriers was the Ark Royal which German propaganda so often reported sunk before her eventual end. Included in the 171 parts of this great kit are Fulmar fighters and Swordfish torpedo bombers as well as the full armament and a host of other details. - Taken from the [4th edition catalogue \(1966\)](#)

13th edition catalogue (1976), listed as **HMS 'Ark Royal'** from **H.M.S. Ark Royal**.
