
SS 'Norway'

[View this kit on the website.](#)

The 66,000-ton luxury liner, SS Norway, is scheduled to begin cruises this summer. Previously owned by the French Line, and purchased by its new Norwegian owners in 1979, the ship has been modernised to make it one of the most up-to-date liners in the world. This detailed kit has no less than 148 parts producing a model over 20 in. long. - Taken from the [17th edition catalogue \(1980\)](#)

Airfix Series (*first appearance*): 6
Rarity of early version: Very Rare
First Issued: 1980
