
Station Platform

[View this kit on the website.](#)

This kit includes the basic units for making a Station Platform. Each kit contains special plastic links so that platforms constructed from additional kits can be joined together in a variety of ways. The total length of platform in each kit is 15 inches, platform width 45 mm. (1 3/4 inches). - Taken from the [1st edition catalogue \(1962\)](#)

17th edition catalogue (1980), recorded as a **Series 3** kit.

Airfix Series (*first appearance*): 1
First Issued: 1958

Box art Artists

Artist on Box Type 3: Roy Cross
