# Scammell Scarab

[View this kit on the website.](#)

There are 67 parts to this excellent kit. With it you can make a true scale model of the Scarab tractor complete with a choice of trailer. There's a Watney's trailer complete with barrels, or a British Railways flat-bed trailer. Take your pick - you get them both. - Taken from the [2nd edition catalogue \(1963\)](#)

**Airfix Series** (*first appearance*): 1

**Rarity of early version:** Rare

**First Issued:** 1963
