
Cement Wagon

[View this kit on the website.](#)

This authentic kit of 50 parts makes a wagon of the type used by the Cement Marketing Company Ltd. Moulded in the correct yellow, it is only necessary to paint the chassis, catwalk and manhole overs. The transfer sheet with the well known Blue Circle trade mark completes the model. - Taken from the [1st edition catalogue \(1962\)](#)

Airfix Series (*first appearance*): 1
First Issued: 1961
