
Maserati Merak

[View this kit on the website.](#)

A fitting subject for the 1:24th scale car range is the superb Maserati Merak. This fine model kit has more than 55 parts and as well as headlights that really light up, there are authentic-looking rubber-like tyres and an exciting set of rally transfers. - Taken from the [17th edition catalogue \(1980\)](#)

1992 edition catalogue, recorded as a **new** kit.
