
Datsun 280ZX

[View this kit on the website.](#)

Specially developed by Bob Sharp and driven by championship driver/actor Paul Newman, the Datsun 280ZX has notched up an impressive series of successes in recent years in Sports Car Club of America races. Now this superb car can be built by Airfix modelers with this fine 1:24th scale kit. 52 parts assemble into a model nearly 190mm in length and there is a set of authentic race decals. - Taken from the [1981 edition catalogue](#)
