
LCM3 and Sherman

[View this kit on the website.](#)

For years modelers have been requesting a landing craft and this superb kit is the answer. 53 parts go together to make the LCM3 with its operating ramp and naval crew and a further 55 parts build its cargo, the Sherman tank. If the modeler wishes, the same landing craft can be used for the Bren Carrier or Half-Track. - Taken from the [4th edition catalogue \(1966\)](#)
