
North American Harvard 11

[View this kit on the website.](#)

27 detailed parts go to make this excellent model. Harvards were used by many Air Forces, and more World War II pilots were trained on these aircraft than on any other. Harvards were also used for ground attack in Korea and against Mau Mau in Kenya. Civilian uses include banner towing and sky writing. - Taken from the [2nd edition catalogue \(1963\)](#)
