
North African Outpost

[View this kit on the website.](#)

Joining the European and Far East diorama sets is this latest addition located in North Africa during World War Two. Comprising a ruined flat-roofed Arab house, together with a German Afrika Korps reconnaissance unit, this kit makes up into a realistic 00 model with almost limitless play and wargame potential. - Taken from the [15th edition catalogue \(1978\)](#)
