
De Havilland Mosquito NFII/FBVI

[View this kit on the website.](#)

The "NF" variants of the Mosquito were designed for night time operations in particular, and this spectacular model will show off this all-time classic RAF aircraft in all its glory, with full interior detail, removable panels, and every part meticulously researched and moulded, enabling any modeller to produce possibly the most exquisite model in any collection.

Airfix Series (first appearance): 25
First Issued: 2010
