The 1911 Christie American Steam Fire Engine is a superb museum quality reproduction for the Masterpiece Collection. Built in 1/12th scale this 18 inch long model is made up from almost 400 highly detailed parts. Moulded in red, black and grey with many simulated brass and chrome plated parts plus colourful striping decals. The Christie makes a brilliant display for the experienced modeller. - Taken from the [1982 edition catalogue](#)
