# Brute Force Dragster

[View this kit on the website.](#)

It takes 2,000 horsepower to run a quarter mile in under 6 seconds and that is what the Brute Force is all about. A long rear-engined top fuel dragster, this track beast is designed to run fast and true. Optional nose panels, one piece chassis, moulded in red, with narrow front tyres and giant rear racing slicks. - Taken from the [1982 edition catalogue](#)
