Life is one long adventure for Colt Sievers the rough, tough hero of television's all-action "Fall Guy" series. There's hardly a neck-twisting scape he hasn't leapt into (and out of) in his search for villains who jump bail rather than face up to the long arm of the law. Such fast, rough-and-tumble living needs matching transport and Airfix now bring you both of Colt's super-powered adventure vehicles - his streamlined red Camaro sports car and the rough-terrain brown-and-gold pick-up truck.

The big GMC truck gets into plenty of action (on and off the road) and comes with oversized dirt tyres, four-wheel drive, suspension, big grill guards, road lights and fully authentic styling. Both sports car and truck carry the genuine Fall Guy emblem, promising you hours of rugged action and enjoyment. - Taken from the [1983 edition catalogue](#)
