# Millennium Falcon

[View this kit on the website.](#)

This superb series 18" kit of Han Solos high speed freighter - the Millennium Falcon, has been designed from drawings of the actual spaceship. Over 18" long, the model features illuminated control room and rocket exhausts, moveable laser turrets, radar antennae, hinged entrance hatch and ramp, plus removeable landing gear. Figures of Han Solo, Chewbacca and Luke Skywalker complete this exciting and highly detailed model. - Taken from the [1982 edition catalogue](#)
